Winter

Through songs, poems, books and activities the children will learn about the season of winter.

By the end of this unit, the children will:

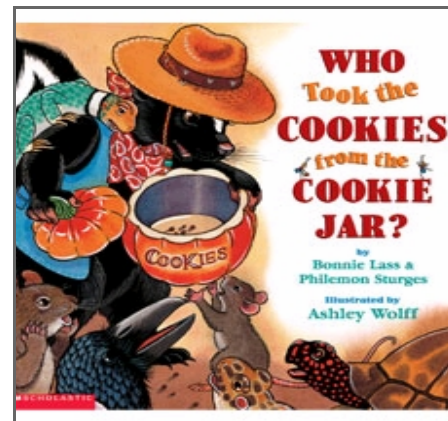

- ◇ Know that winter is a season that comes after fall and before spring.
- ◇ Understand that in many places the weather is quite cold during the winter, but in some places the weather remains quite warm.
- ◇ Know that snow actually forms from frozen rain, so it must be very cold for it to snow.
- ◇ Understand that snowflakes are unique, just like fingerprints.
- ◇ Be familiar with the terms migration and hibernation.
- ◇ Know how to dress during the winter.
