Norman Bridwell

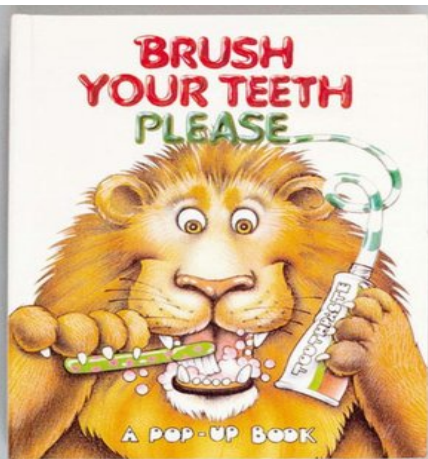

January 30 -February 14, 2012

Hearts, Friendship and Feelings

By the end of this unit on Hearts, Friendships, and Feelings, the children will:

- ◇ Understand what it means to be a friend, and know that family members are also your friends.
- ◇ Be able to name at least four different feelings and be able to tell about a situation that would cause each feeling.
- ◇ Associate hearts with love and kindness.
- ◇ Know that friendship, sharing and love are the focus of the holiday Valentines Day.
- ◇ Know that the traditional colors of Valentines Day are red, pink and white.
- ◇ Know that we have a human heart inside our body, and the human heart does not look like a Valentine.

BRUSH YOUR TEETH PLEASE
